Our Sponsors: Powering Excellence Through Strategic Partnerships

Zusammen Travels proudly collaborates with valued partners who champion innovation, growth, and the creation of exceptional event experiences. Through these strategic partnerships, we deliver impactful moments, foster meaningful connections, and create memorable experiences that inspire success.

I will provide the partner details/images for this section via the Drive link shared in the email.

Event Participation Overview

Get insights into attendee engagement, sessions, and overall event participation details.

On this section alone, we can keep the map as it is. The colour you use should only cover Africa as a continent, with the location dot placed on it. Remember, we are specialised in the Africa MIC sector only for now. However, it is good to keep the rest of the map for when we expand our operations; then we can simply add dots to the relevant continents.

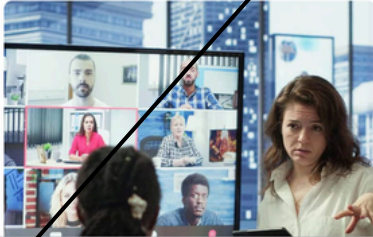

On this section, replace the heading and subheading with:

Event Participation Overview

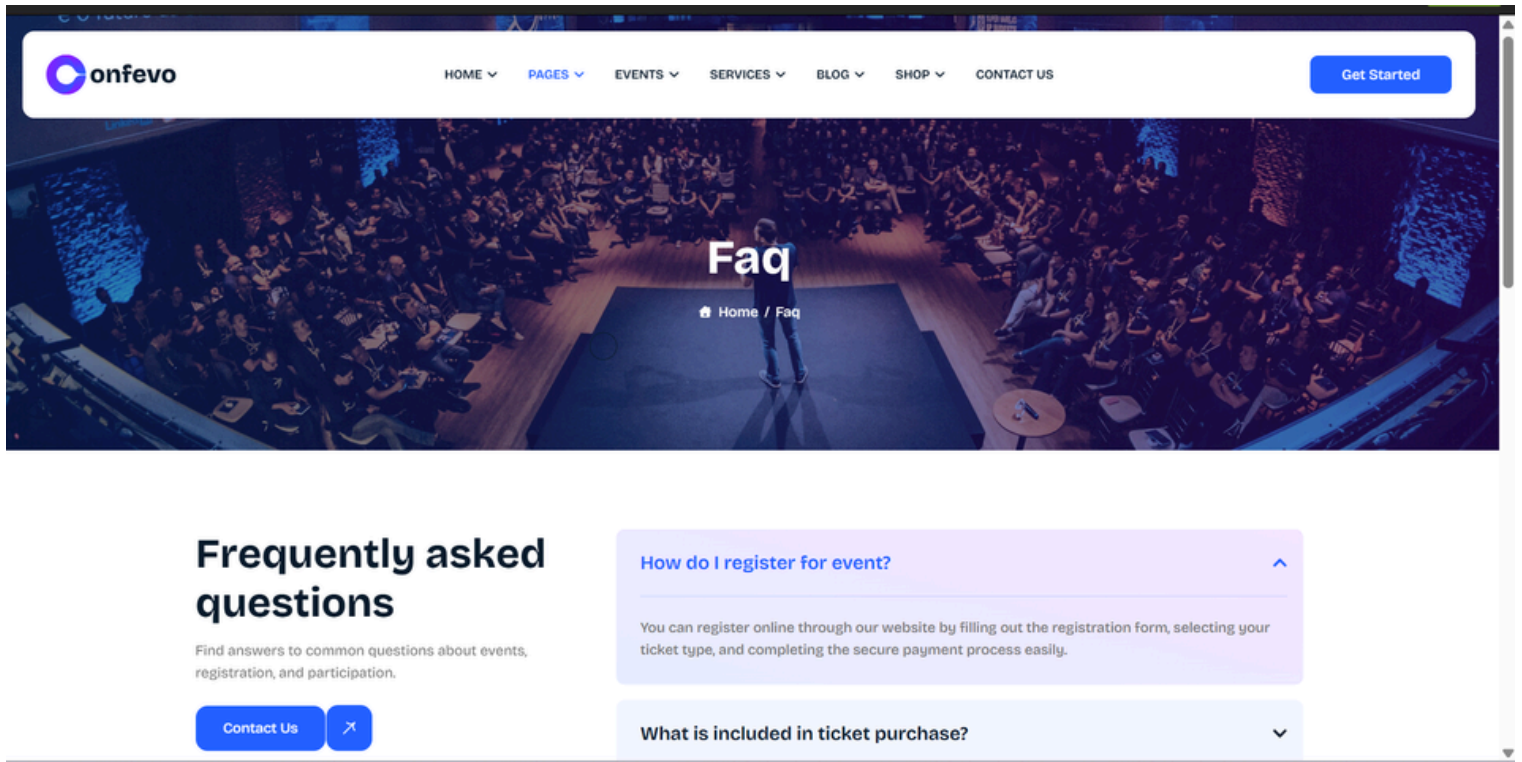

Access comprehensive insights into attendee engagement, session performance, and overall participation metrics.

Gallery

[Home](#) / [Gallery](#)

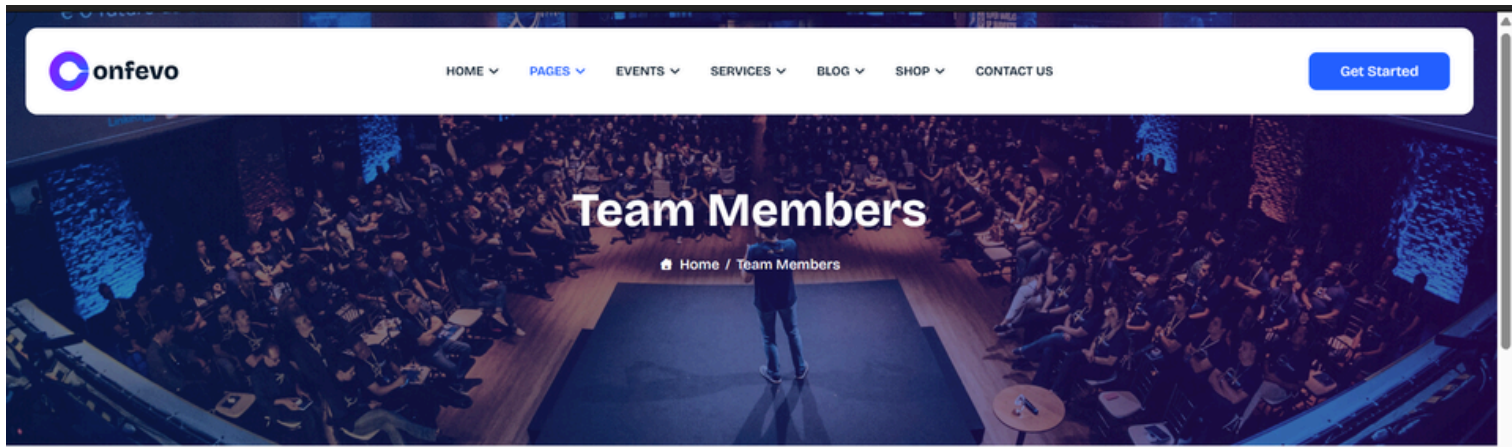

For this gallery, I have provided a link that you can use to access the images. These are the only images we would like to display here. The overall layout should remain as it is currently, as I like the way it looks.

The layout will remain the same as it is currently. I have provided the FAQ in a folder through the Google Drive link I shared.

Please note that for the newsletter section, refer to the information in the Homepage PDF folder, as that information must also be displayed here to ensure consistency across all sections.

For the partners section, the information must also be displayed exactly as provided. Only include the partners that I have shared with you in that folder.

This section is currently listed under Pages as “Speakers,” so that will change to “Meet our Team”. I would like a few adjustments to be made:

Please create a separate section for each of the following:

Meet Our CEO

- This section must include 1 image that will appear on the website.
- It should be supported by a small introductory box containing the following text:
- “Meet our CEO - the passionate leader behind our mission, bringing experience, vision, and a commitment to helping our company grow and succeed.”

Our Team

- This section must consist of 4 images, following the same format as the current layout.

Speakers

- This section will feature speakers who will be showcased on our website.
- The format should remain consistent, with space for up to 8 speakers for now.
- I will provide the speaker details/images once I have obtained the necessary consent from each individual to have them listed on our website.

Note: The speaker profile layout should remain unchanged. This refers to the individual speaker pages that open when a profile is selected and display the speaker’s information. No changes are required to this section.

Privacy Policy

[Home](#) / [Privacy Policy](#)

We are committed to protecting your personal information and ensuring a safe, secure experience while using our event and conference platform for registrations, participation, and communication purposes at all times.

We collect essential details such as your name, email address, phone number, and payment information to manage event registrations, send updates, provide support, and continuously improve our services.

Your data is stored securely and never sold to third parties. We may share limited information with trusted partners only for event management, communication, and secure payment processing requirements.
